*Vice-President of Corporate Relations*

June 16, 2006

To Whom It May Concern:

I have been asked to write a letter of recommendation for Don Yaeger and his team at 180 Consulting for your consideration of their lobbying services. This I am glad to do.

Our company has engaged Don and his team for six years as part of our efforts to work with the Florida Legislature. During that time, we have had great success in Tallahassee and Don has been a solid part of that success.

We also have utilized Don for his media background, working with select executives on developing stronger media relations skills. That, too, has been a valuable resource for us as a company.

On the flip side, I had the experience of being "lobbied" by Don during my six years in the Florida House of Representatives, prior to coming to Florida Crystals. I always enjoyed his approach and appreciated the candor with which he represented his clients.

I write this letter as a whole-hearted endorsement of Don's talents and I am available if you might have further questions.

Sincerely,

A handwritten signature in dark ink that reads "Gaston Cantens". The signature is written in a cursive, flowing style.
